

ENERGY **EXPERIENCE** 2025

Ontario's Ultimate Healthcare Celebration

INTRODUCTION

We are excited to invite you to support the **2025 Energy Experience: Ontario's Ultimate Healthcare Celebration**, hosted by the **Stevenson Memorial Hospital Foundation**. This event will bring together community members, healthcare professionals, and supporters of all kinds to celebrate the future of healthcare in Ontario. As a sponsor, your organization will gain significant visibility while directly supporting the Foundation's mission to enhance care at Stevenson Memorial Hospital. Your involvement will make a meaningful difference in the lives of those who depend on our services.

EVENT INFORMATION

Date: November 20th, 2025

Time: 6:00 pm - Doors Open

Venue: Paramount EventSpace / 222 Rowntree Dairy Rd, Woodbridge

Our event will be **a dynamic celebration inspired by the energy and nostalgia of the 1980's and 1990's**, designed to captivate attendees with vibrant experiences and meaningful engagement. Guests will enjoy a four-course meal with an open bar while immersing themselves in themed activities and entertainment. The evening will feature interactive networking opportunities, a dedicated activity area, and the chance to connect over fun and engaging experiences.

To maintain the flow and energy of the evening, key dignitary speeches will be presented via video displays placed strategically throughout the venue. An experienced MC/DJ will guide the event, ensuring a seamless transition between highlights, including a live and silent auction where guests can contribute to the Stevenson Memorial Hospital Foundation's (SMHF) mission.

We aim to create a memorable, high-energy evening that leaves guests excited to return year after year while raising substantial funds to support Stevenson Memorial Hospital.

The event promises to be **one of Ontario's most vibrant and memorable healthcare celebrations**. Here's why it stands out:

Dynamic Theme & Atmosphere

Guests will experience an engaging, high-energy evening combining nostalgia, music, and fun. With an immersive vibe, attendees can look forward to live music, exceptional food, and lively networking opportunities.

Exclusive Venue & Entertainment

Hosted at the elegant Paramount Eventspace, the event features premium dining, entertainment, and interactive elements designed to energize and inspire attendees.

Community Impact

By attending, guests directly contribute to SMH's transformation. The event raises vital funds for the SMH's new build, creating lasting benefits for one of Ontario's fastest-growing regions.

Networking & Connection

With 700 anticipated attendees, including community leaders, corporate executives, and residents, the event provides a unique platform for networking and relationship-building in a festive environment.

AN ENERGIZING OPPORTUNITY FOR SPONSORS!

Sponsorship of the **2025 Energy Experience** offers unparalleled visibility and impactful engagement. Sponsors enjoy category exclusivity and premium branding opportunities, ensuring prominent recognition across all marketing materials, the Foundation's website, and during the event itself, reaching a broad and diverse audience.

Tailored benefits, such as custom video content, premium seating, and year-long acknowledgment in the Hospital's campaign reports, elevate the sponsor's public profile. Aligning with the event also connects to a positive, growing cause, showcasing support for the South Simcoe community's continued development, especially with the expansion of Honda and the area's increased growth.

Furthermore, the event offers an excellent opportunity to treat your clients and employees, fostering relationships in an uplifting environment. With its vibrant entertainment and exclusive atmosphere, the event promises to create an **unforgettable experience** for all involved.

**ENERGY
EXPERIENCE 2025**

***BECAUSE OF YOU, WE CAN* CAMPAIGN**

The Stevenson Memorial Hospital Foundation (SMHF) is a vital supporter of Stevenson Memorial Hospital, a community-focused healthcare facility in New Tecumseh, Ontario. Stevenson offers critical services, including general surgery, maternal childcare, dialysis, and a 24/7 emergency department. Despite earning accreditation with Exemplary Standing in 2022 for healthcare quality, the hospital faces mounting challenges as the region's rapidly growing population exceeds its current capacity.

To address these needs, SMHF is leading the Because of You, We Can campaign to raise funds for SMH's new build and equipment upgrades. The plans include tripling the emergency department's size, expanding critical units such as the surgical suite, birthing unit, and laboratory, and tripling the hospital's total square footage. These enhancements are essential to meeting the healthcare demands of a community that has grown by 28% since 2016 and is expected to increase from 75,000 to over 100,000 residents by 2031.

Community support is pivotal to the campaign, as a significant portion of the funds must be raised locally. Contributions will help ensure that the hospital can deliver high-quality care and keep pace with the region's evolving needs, securing its role as a lifeline for present and future generations.

This event is dedicated to raising awareness and funds for the Because of You, We Can campaign. Net proceeds will support purchasing critical equipment, technological upgrades, and construction plans for Stevenson's new building, including a new Emergency Department. The current emergency department accommodates around 35,000 annual visits—five times its original design capacity. The new build will provide the infrastructure necessary to serve South Simcoe and surrounding communities, ensuring access to exceptional healthcare for years to come.
